Procter & Gamble Overview

“Two billion times a day, P&G brands touch the lives of people around the world. Our corporate tradition is rooted in the principles of personal integrity, respect for the individual, and doing what's right for the long-term.”

Procter & Gamble Overview

- Founded in 1837
- \$62 Billion in sales
- 139,600 employees
- Facilities in 80 Countries
- Customers in over 140 Countries
- 22 Billion \$ Brands

The Procter & Gamble logo, consisting of the letters 'P&G' in a bold, blue, italicized serif font.

Implementation Summary

- Part of the TcC Early Adopter Program
- End User Population: 2000-5000+ users
- Data Footprint: 100+ gigabytes
- 550+ Sites / Sub-sites / Workspaces
- Targeted Audience - Technical Organizations
 - Product Research & Development Community
 - Equipment Design & Engineering Community

The Ideal Service

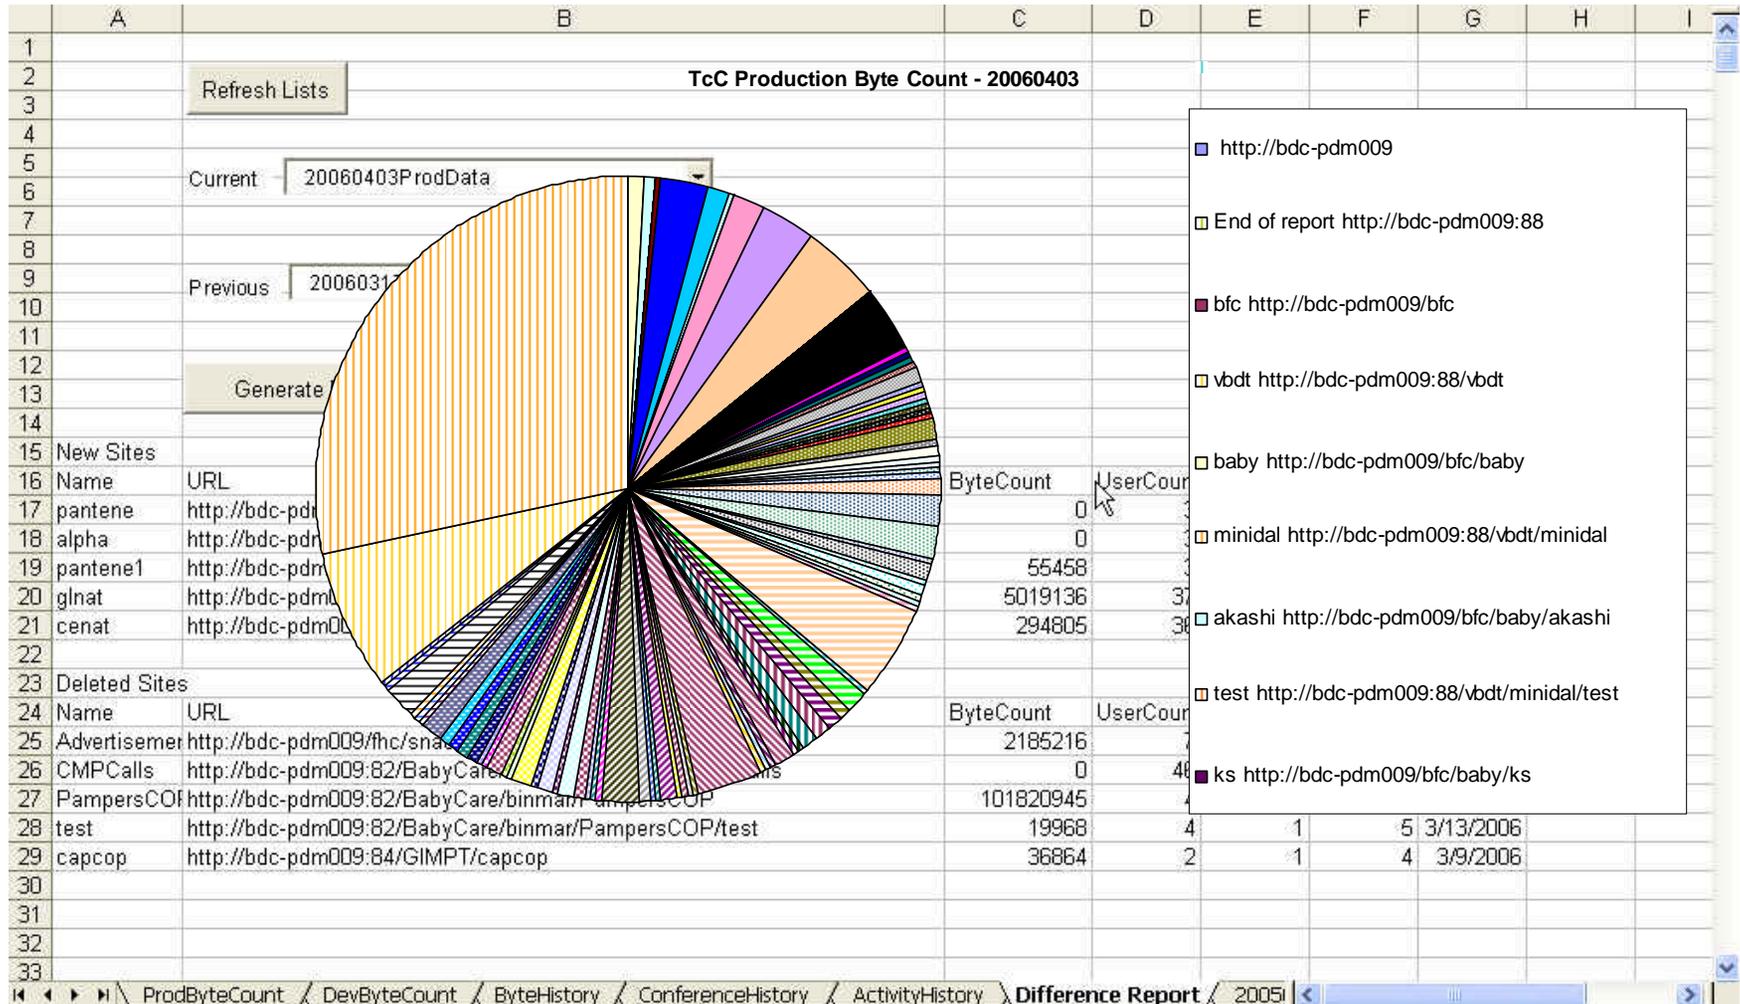

- Sponsor & Stakeholders
- Service Level Agreement
 - Availability
 - Response Times
 - Expert Help
 - Data Recovery
 - Disaster Recovery
 - Assumptions
- Change Control
- Environments
 - Development, QA, Production
 - Configuration Control
- Funding Source

Service Management Needs

- Mature infrastructure tools
- Budget management
- ROI, usage justifications

Bridging the Gap – Site Reporting

Bridging the Gap – Moving Sites

- Use Case
 - Moving sites from old server to new server
 - Moves performed by system administrators
- Choices
 - Smigrate
 - Stsadmin
 - Frontpage 2003
- Our approach
 - Frontpage 2003
 - Sitemember utility

Bridging the Gap

Dealing with FP Customizations

While we were learning, we used FP2003 to

- Add graphics

- Modify the Quick Launch and top navbar

- Build applications

What we've learned...

- Don't do it!

- You can disable the ability to use FP2003

- Do not go beyond web part configuration

Where Do We Go From Here?

- Migration to Teamcenter Community 2005
- Push for deeper Teamcenter Integrations
- “Follow The Sun” operational support
- Availability for External Business Partners

Thank You

The top of the slide features a blue header with a complex, abstract background. This background includes various geometric elements such as triangles, circles, and lines, along with a faint, stylized globe. The overall aesthetic is modern and technical.
